Leo que you would go
to see Loulou, to tease

tention d'aller la voir.
You said Amour that
you left school to please
me, alors tu ne peux
pas resister a la ten-
tation and you must
go and see her chez elle,
I am awfully selfish
I know mais since
we are engaged you
are mine et bien
sure I would not have
you flirt with any
other girl. I would not.
Je suis severe, hein
Amour? Je suppose que
tu le penses mais dar-
ling I made you choose
[illegible] Loulou et [illegible]
You laughed at the idea
et tu t'ais [illegible] adorée com-
me tu l'a dit toi-
même "l'on ne badine pas
avec l'amour". You
